

ATTENTION: ALL CPRHA MEMBERS ARE NEEDED.....

Thank you so much to everyone who helped run the gates, deliver draw boards to and from the gate, gather directory ads and sponsorships, and any other tasks you completed for CPRHA. You are so important and very appreciated. It's vital that CPRHA members take ownership in our club and do their best to do their part.

The Board of Directors would like everyone to be thinking ahead to how they feel they can serve CPRHA in 2011. One of our biggest jobs to fill at every show is the GATE but we still need help with setting up before the show begins, running draw boards, or even directing traffic sometimes.

The success of our shows depends greatly on how well run they are. We depend on our members to keep everything running smoothly. Feel free to speak with any Director if you have questions or comments.

To sign up for volunteering your efforts at the shows, please call Ashley Venteicher at 402-560-5997 or email her at reiningventeichers@hotmail.com She would love to hear from you!
You may also fill out the form below for her to contact you with greater ease.
